**WORDS FROM HEAD COACH LYLE BENNETT:**

I am COMMITTED to molding the football potential of each player that I coach at Rietvlei Soccer School

**What is commitment?** The state or quality of being dedicated to a cause. We are witnessing the rapid growth in youth players desire to become the next Lionel Messi, Cristiano Ronaldo or Neymar Jr and this is great for the game, the interest at grassroots level is growing exponentially. This is a generation that is not short of opportunities, all the young stars have to do is SEIZE the Moment. There are opportunities to play in PSL Academies, Semi-Professional, and Professional. Soccer Scholarships are available to Elite Football Students, where you are given an opportunity to pursue your football career and receive a degree in a field you wish to specialize in.

**The modern game is about ...taking risks, sometimes losing the shape without losing the balance ...intensity, tempo and physical commitment.** For the many young, aspiring professional football players, the word COMMITMENT is key to achieving your goal, without commitment, I'm afraid no Coach will take you seriously, because YOU are not serious about your Vision. We as Coaches, want to see the player realize their full potential on and off the pitch and become the best player you possibly can – You will become a significant member of society through football.

**WORDS FROM OWNERS – SHAWN & TONI MACKRELL:**

Rietvlei Soccer School is excited and welcomes the SPRING season! We also welcome our new registered players and we encourage our existing members to invite their friends to join our school. We will continue to help aspiring soccer players in our community to reach their potential. For more information, please do not hesitate to contact head coach Lyle Bennett on 061 486 2299.

**Positively developing youth football!**
