Dear Valued Customer

RE: CORONA VIRUS (COVID-19)

On Monday 23 March 2020, the President Cyril Ramaphosa announced the government will be implementing a 21-day national lockdown in order to reduce the spread of the Covid-19 pandemic. This will take effect from midnight on Thursday 26th March to Thursday 16th April 2020.

All non-essential businesses are required to close to ensure everyone remains at home in order to reduce the risk of this dreaded virus. As Rietvlei Zoo Farm does not provide provide essential services, we **will be required to close for the 21 day period** as per the Presidential Address.

Rietvlei Zoo Farm will be closed to the public from Thursday 26th March 2020.

We of course are concerned about the impact that this lockdown will have on each other and our economy, but we are aware that we are all in this together. We are praying that we will all be able to open and return to work on the **17th of April 2020**, in good health and with less uncertainty about the future.
