

RIETVLEI SOCCER SCHOOL (RSS) NEWSLETTER – JAN/FEB 2018

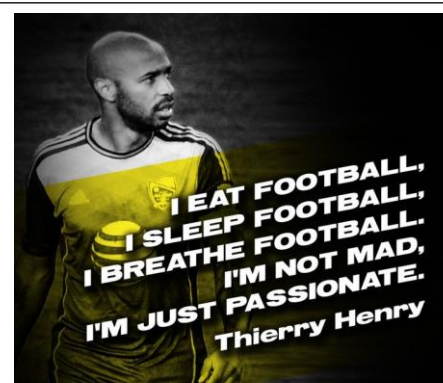

We are excited to share all Rietvlei Soccer School events, plans, dreams and goals with you in our first Rietvlei Soccer School Newsletter for 2018!

OVERVIEW OF OUR SOCCER SCHOOL: Rietvlei Soccer School (RSS) was established in 2016 and our primary focus is youth development and therefore we offer weekly soccer skills lessons that help players learn how to play soccer and improve their soccer with professional football coaches. We are located at Rietvlei Soccer Astro Fields at Rietvlei Zoo Farm in Johannesburg South. We are not a soccer club, we are a soccer school. We strive to positively improve youth football within the Johannesburg South by using unique football training programmes and by focusing on individual technique and tactic training. Our soccer lessons are carefully designed to ensure that they are fun and age-related, ensuring individual growth with specific goals for each session, helping to develop players that will stand out from the rest.

Welcome to all our existing Rietvlei Soccer School players and a special welcome to the NEW RSS players. We also want to welcome our new coaches Tristan Wallace and Leah Bennett, who have joined our Soccer School.

SOCCER SKILLS LESSONS AT THE ASTRO FIELDS: Rietvlei Soccer School hosts soccer skills lessons daily at Rietvlei Soccer Astro Fields from Monday to Saturday for boys and girls ages 4 to 16 years. The soccer lessons focus on teaching the following fundamentals of football: passing and receiving, dribbling, finishing and agility, balance and co-ordination. We encourage a fun and safe learning environment for our football players under the guidance of our SAFA accredited youth football coaches, who share a love for the game with a passion for youth development. Please invite your buddies to join our school – first lesson is free!

RIETVLEI SOCCERTOTS: RSS Soccertots division is also focusing on introducing and teaching young children from ages 4 to 6 years how to play soccer.
