### **WORDS FROM HEAD COACH LYLE BENNETT:**

#### **The Impact of Modern Society and the Lack of Physical Activity**

As a child, I enjoyed many moments with family and friends, playing mini soccer matches and fun games in the garden. These moments helped me to reach the heights I have both on and off the field. I learned the importance of teamwork, self-discipline, kindness and integrity to name a few characteristics. I also developed my technical and tactical skills when playing small sided games. I would like to encourage you to spend more quality time and engage in physical activities as a family or with your friends.

In our current society, many of our youth are occupied with social media and other activities that do not promote physical and cognitive development. Activities such as Video Games, iPads and Cellular Phones. This keeps our youth indoors and not outdoors where most physical activity takes place. It is vital for our youth to participate in outdoor activities that stimulate the body in order to promote a fit lifestyle and better their problem solving skills. As they say, "A healthy body, a healthy mind".

Simple and FUN games in the garden with family or friends will do the world of good for our youth.

**Yours in Football - Lyle Bennett - RSS Head Coach**

**WORDS FROM OWNERS – SHAWN & TONI MACKRELL:** Rietvlei Soccer School continues to grow even though we are in Winter. We are proud to have a passionate group of coaches and many enthusiastic new players this year. We hope you have ordered your beanies and tracksuits because it is still going to be cold until October. We will continue to help aspiring soccer players in our community to reach their potential. For more information, please do not hesitate to contact head coach Lyle Bennett on 061 486 2299. Stay warm!

**Yours in Soccer, Shawn & Toni Mackrell**
